ST. FRANCIS CATHOLIC CHURCH ADDS SUNDAY EVENING YOUNG ADULT SERVICE

Milwaukee, WI (December 16, 2004) -- St. Francis Catholic Church, a Capuchin Franciscan ministry, has added a 6:15 PM Sunday evening service to serve the young adults in the Brewers Hill area.

“St. Francis has always served a diverse population,” Father Mike Bertram explains. “Our 4th & Brown Streets location has become a part of the Brewers Hill area’s renaissance. More young adults are residing in our neighborhood. We wanted to create a worship service that would speak directly to them.”

The 6:15 PM service will feature contemporary music and special teachings that give background to Catholicism.

“We include a two minute teaching on Catholicism. Many of our worshippers have not had a strong Catholic background yet enjoy the worship service. Our two minute study tells the “why’s & how’s” certain Catholic practices are observed,” Father Mike says.

Further young adult programs will include concerts and small group studies. For further information, please call 374.5750 or email: franmil@archmil.org.

St. Francis Catholic Church is a Capuchin ministry and is part of the Province of St. Joseph of the Capuchin Order, which is headquartered in Detroit, and serves Capuchin ministries worldwide.
